

About SAEC

Syed Ammal Engineering College, Ramanathapuram is one of the best self-financing engineering colleges started in 1998 with a view to serve the younger generation of this remote under developed region of our country by offering quality technical education by Dr. E.M. Abdullah, M.B.B.S., through Syed Ammal Trust. Our College offers six UG and PG courses in various disciplines. With the strong leadership, committed faculty and disciplined students we are continuously achieving excellence in academic by securing more University ranks every year.

About the Department

The department with its excellent infrastructure and experienced faculty has been greatly successful in bringing out the talents of the young minds, moulding and guiding them in the right path. Practical hands on training during the course of study are greatly stressed so that the students acquire knowledge about the industry and its growing needs.

Objective of this Programme

- To give the exposure in the subject of Control System Engineering.
- To upgrade the knowledge in the field of conventional and modern controllers.
- To train the participants in the concept of state variables.

Eligibility:

Faculty members of ECE, EEE and E&I faculty members of all Engineering colleges affiliated to the Anna University, Chennai who have interest on the subject Control System Engineering.

Registration Fee

- There is **no registration fee** for this programme.
- Selected candidates will be intimated by e-mail. Confirmation of participation is to be made by sending reply e-mail.
- Accommodation will be provided at College hostel for outstation candidates.
- The number of participants is restricted to 25 only. Participants are selected on first come first serve basis. Preference will be given to young faculty members.

Speakers

Senior faculty members from various Universities / IITs / NITs and Engineering Colleges and experts from own institution.
