SENIOR CONSULTANT & PRINCIPAL TRAINER @  
EDUQUEST INDIA  
21 Krishnama Road, Nungambakkam, Chennai, Tamil Nadu 600034

**Date:** 20.08.2016

**Venue:** EEE Seminar Hall

**Time:** 11.00 AM

The Student Empowerment Programme on the topic “**Successful Interview Techniques**” for the final year students of all branches having CGPA greater than or equal to 7.5 was conducted on 20.08.2016 in EEE Seminar Hall at 11.00 AM. Dr. P. Marimuthu, Principal welcomed the gathering. Dr. M. Periyasamy, Vice Principal gave introduction about the resource person. **Prof. P. Ameer Ali** made a detailed presentation on importance of acquiring strong knowledge in soft skills and communication skills. He stressed that as an engineering graduate one must have the ability to express their ideas and thoughts in a powerful ways to impress others. This would require an enormous amount of reading, writing and skillful training.

He pointed out that engineering graduate with good academic profile may lose a job because of inadequate communication skills. He also stressed that as a student, in this younger age one must lead a disciplined life to attain greater heights in their life. He presented various techniques and methods for attaining success in the interview process. At the end of the lecture, questions and answer session was conducted. Students raised various questions about the interview techniques as well as well as improving the communication skills. He patiently answered all the questions raised by the students. **Prof. P. Ameer Ali** thanked the Management and Principal for providing this opportunity as well as students for their patient hearing.
