| 10. | Student feedback mechanism on Institutional Governance / faculty performance | : | 1.Students assess and give a feedback about the institution and its governance once in every semester. The feedback form is computerized and it is confidential. Based on the suggestions, necessary follow-up actions are taken.

2. A Class Committee is formed and meetings conducted thrice in a semester. The students and staff can express their problems and suggestions and exchange their views mutually pertaining to academic affairs.

3. When students find it difficult to tell their grievances in person to the staff, they have a provision to express them through the "Suggestion Box" kept at the Main Building just by dropping a note into it. Every week end the suggestion Box opened and grievances are redressed after verification. |

| 11. | Grievance redressal mechanism for faculty, staff and students | : | 1.There is a counselor for every 20 students who meet the students at least once in a month to redress the academic and personal problems. The students are counseled meticulously and taken to the Principal for further action if necessary. The relationship between the students and their counselor is unique and cordial.

2.Once in a month faculty council meeting is conducted by the Principal and the management representative. The staff can express their problems, voice , views and their opinion in the meeting. |
