SYED AMMAL ENGINEERING COLLEGE

(An ISO 9001: 2015 Certified Institution)

Dr. E.M. Abdullah Campus, Ramanathapuram – 623 502

(NBA Accredited UG Courses: CSE, ECE, EEE & MECH)

Feedback Analysis from Stakeholders

The college has formal procedures to obtain feedback from Alumni, employers, parents and students. The major points derived from the feedback analysis are listed here.

Alumni

- Alumni feedback is used for assessment of PEOs since they have intimate knowledge of the program and, at the same time, also have experience in industry.
- Alumni suggest their juniors to take some kind of certification courses to enrich their knowledge.
- The 2017 regulation under CBCS is excellent and it will be more useful for student's career growth.
- Alumni appreciated the technology awareness given by the departments which helps them now in their project.
- Also they appreciated the faculty members for their contribution to their growth.
- Excellent Academic Support extended by the faculty members.
- Students communication need to improve
- Need to organize more GD.
- Specific domain area training need to improve.
- Provides excellent technical support for the students.
- Student's friendly environment to excel in academics.
- Best career oriented training given for the effective communication skills.
- Excellent infrastructure and lab facilities are provided for the students.

SYED AMMAL ENGINEERING COLLEGE

(An ISO 9001: 2015 Certified Institution)

Dr. E.M. Abdullah Campus, Ramanathapuram – 623 502

(NBA Accredited UG Courses: CSE, ECE, EEE & MECH)

Employers

- Employers gave a positive feedback about our student's interaction skill and logical solving skill.
- Employers were happy about our college curriculum and syllabus which meets the current industrial need.
- Alumni are performing well in their respective industries.
- The autonomous curriculum and syllabi are good. It will definitely meet the industrial requirements expected from the students.
- Employers rate out graduate's written and oral communication abilities to be excellent.
- Our graduates are performing better in team work.
- Our graduates are volunteering to solve societal problems.
- Parents expressed that this meeting is a good opportunity for the parents to know about their ward's exact status in the studies and other activities, department details and its initiatives towards student development, T&D, etc.
- Parents insisted that the students should be placed well in the reputed companies before the completion of their degree.
- One of the parents requested to conduct parents' teachers meeting every month or once in three months.
- Alumni are working well in their respective industries.
- They are able to complete the given the task in time
- Alumni are performing well in their respective industries.
- The autonomous curriculum and syllabi are good. It will definitely meet the industrial requirements expected from the students.

SYED AMMAL ENGINEERING COLLEGE

(An ISO 9001: 2015 Certified Institution)

Dr. E.M. Abdullah Campus, Ramanathapuram – 623 502

(NBA Accredited UG Courses: CSE, ECE, EEE & MECH)

Parents

- Parents appreciated the Class counsellors for their effort taken to guide their wards.
- Parents appreciated the Faculty advisors for their counselling given to their wards.
- Parents felt that the hostel facilities are good. Also they appreciated the club activities in the college.
- Parents suggested to have some additional coaching classes especially for the maths related subject for the lateral entry students.
- Parents also requested the faculty to educate the students using ICT technology only for the good cause.
- Technical knowledge and communication skills acquired by student after the admission to our college are good.
- Facilities in the hostel, internet and library are good.
- Parents were satisfied with the present teaching and learning process followed in the college.
- They were satisfied with the information system followed in the college to their ward's performance.
- They expressed that the Parent Teachers meet is very useful and expect to continue in future.
- They satisfied with the facilities and infrastructure of the college.
- Most of the parents were satisfied with the present teaching and learning process followed in the college.
- They also expressed their satisfaction towards the student information system (MIS) followed in the college.
- HOD informed parents that using Learning Management Systems like Moodle, Black board the students can take up their online test from anywhere using mobile or laptop which helps to improve their knowledge and become more reliable.

SYED AMMAL ENGINEERING COLLEGE

(An ISO 9001: 2015 Certified Institution)

Dr. E.M. Abdullah Campus, Ramanathapuram – 623 502
(NBA Accredited UG Courses: CSE, ECE, EEE & MECH)

Students

- Students were excited about the Blackboard / ICT Tools usage in our college.
- Majority of students have reported that the academic and research activities of the college is excellent.
- More opportunities for enhancing the knowledge in the research field.
- Good teaching learning process by experienced faculties.
- Majority of students have reported that the teaching, placements and research activities of the college is excellent.

Action Taken Report

The following table represents the action taken to improve the curriculum based on the feedback report analysis.

Academic Year	Stakeholder	Feedback Questions	Feedback Percentage	Corrective measures
2018 -2019	Faculty	How do you rate the percentage of courses having LAB components	88.46%	Currently lab manuals are included with open ended experiments and design based experiments to enhance the knowledge to design and conduct experiments.
	Parents	How do rate the outcomes that your ward has achieved from the courses	85.00%	Credits are framed by Anna University, Chennai. SO, recommendations are done by the head of the institution to the university for the same to improve the credits for some domains as per the curriculum relevant workload of the faculties and students
	Students	How do you rate the allocation of the credits to the courses	87.50%	Through compliance of curriculum, some of the credits of courses are found to be low weightage. This may be improved according to the problematic relevant contents and practices.
