Mr.G.Palaniselvan, Chairman, Board of studies of the faculty of civil engineering welcomed and introduced the BoS members for the 1st BoS meeting. He started the presentation with a brief introduction of the department along with the Program Educational Objectives, Program Outcomes, and Program Specific Outcomes of the programmes. He explained the highlights of the new curriculum to the members. The following are the suggestions given by the members.

First Year:

1. Inclusion of additional topics in Basic Civil and Mechanical Engineering in Units II and III for the first-year EEE syllabus.
2. Include a model making of truss concepts and lapping of rebars in civil works in the Engineering Practices Laboratory for the first year.

The suggestions given by the University Nominee and the experts will be considered for inclusion in the curriculum and syllabus. The suggestions are very much useful for refining the curriculum. Finally, the meeting ended with a vote of thanks by Mr.G.Palaniselvan, Chairman BoS. The Chairman thanked all the members for their suggestions and substantial inputs provided in the meeting.
